

National Storytelling Week February 2023

To celebrate National Storytelling week, we have enjoyed sharing many stories as a class and also with our buddies. We loved listening to the messages embedded in The Boy, the Mole, the Fox and the Horse in the outdoor classroom. After our visit to the Museum, we laughed along with one of Tom Fletcher's best selling characters. Our buddies joined us for a Bear Hunt on the Tuesday where we listened and signed the story together and acted the story out in the hall. We have of course also enjoyed our poetry with our Cake-O-Saurus poem.
